Jordan & Sirena moves to make an amendment to the Bylaws. Seconded by Katrina Salangsang. To view suggested changes to by laws, please visit:

http://apomz.org/wp-content/uploads/GeneralMeetings/Associate_Standing_Amendment.doc

Jessica Do- What about people who opt to apply for associate standing because of busy schedule next semester. This is unfair for those who can't be active during a semester.

Jessica Do- You can't want to call an Active in Bad standing, called "Active in Bad standing." But please leave the associate standing said. You are targeting one side, what about active who can't make it next semester.

Mark- If I can't complete my requirements this semester, next semester I will associate. I see the intention is good, but wording needs work.

Jessica Do- Nothing has been passed about continuing requirements from one semester carried on to the next. That was not established. But that should be documented.

April- Maybe an active in Bad standing can be replaced with Associated.

Jordan- We would resined this and will present again another time.
